DIRECTOR'S WELCOME

Welcome to the 13th Annual Band-O-Rama! We are thrilled to host another exciting evening of music and pageantry. We hope that you find the event to be fun and exciting! I encourage you to cheer loudly for each and every band that you see tonight. The members of those bands have worked tirelessly since August under the sweltering SoCal sun to bring you the product you see tonight.

Please feel free to visit our snack bar and other amenities. If there is a special person that you would like to give a shout out to, visit our Air Grams booth, and for only \$1.00 you can get your announcement read over the loudspeaker!

I am so proud of all our area students and musicians for their hard work. Please enjoy the evening, and we hope to see you again for Band-O-Rama XIV!

Sincerely,

Matt Howe

Director of Bands, CCHS

K. So here's the big deal about high school marching band. Students spend hours upon hours working to perfect a show for performances that will last around 8 minutes. Each performance is a big deal. If someone has a bad 20 seconds, it can wreak havoc on the entire band. If someone is confused, or not quite sure of the next move, there is no opportunity to call time out and get clarification. The band gets 7-8 minutes to showcase what they've spent hundreds of hours working on. They don't get 4 quarters, 2 halves, or 9 innings - just a few minutes. If someone isn't feeling well, twists their ankle, or gets knocked on their rear, they can't call time-out and ask for a sub. The show must go on. After the performance is over, not one performer will have their name in the paper or get special recognition for their outstanding individual performance. Band is a team activity and not one person is recognized publicly for their outstanding performance that week. Everyone works hard, day in and day out, for the team-the group, knowing that they will not be singled out for special recognition. All the work is done for the good of the group. That's extremely awesome. Hug a band kid, or at least give them a high 5 after their next performance. GO BAND!!!!

ABOUT US

Our mission at The Dance Program is to provide a comprehensive education in an all inclusive learning environment, and to give the students in our community a place where they can come and grow into the best versions of themselves.

We have been in the Coachella Valley for over 20 years and have trained many successful dancers who are now pursuing meaningful careers in dance, musical theater and more.

We are working diligently to stay up to date with the latest COVID precaution measurements. At this time dancers are practicing social distancing and wearing masks.

“Arianna, I’m very proud of you and of how far you’ve come since you were in middle school doing band. I wish you the best once you’re done with high school and if you continue doing band. You’ve worked so hard to be where you are today. You deserve the best in everything you do”.
